

What we are learning in Nursery Term 5 : Our theme this term is 'In the Garden'

Reminders	Our PE day is Wednesday. Please send your child into school wearing PE kit every Wednesday. Please ensure all belongings are named. Children should only have water in their bottles.
Phonics	We will be focusing on what we can hear and listening to different sounds we can make with our bodies. We will be beginning to think about the beginning sounds of words.
Maths	This term we will be focusing on size and number. We will begin matching quantities to numerals.
Communication and Language	We will be doing lots of talking about our feelings, and how others feel.
Personal, Social and Emotional Development	Our Jigsaw piece is called 'Relationships' where we will be learning how to find resolution to conflict, learning about our feelings and emotions and how to express these appropriately.
Physical Development	This term we will be developing our pencil grip, and begin making more meaning to the marks that we make. In PE we will be focusing on our large gross motor skills- climbing, jumping, running etc.
Understanding the World	We will think about plants and flowers, and what the need to grow. We will be planting our own seeds and observing their changes as they grow.
Expressive Arts and Design	The artist of the term is Georgia O Keefe, who focused her art on Flowers and Growing.

Ways in which you can support your child's learning at home this term:

Encouraging your child to speak in full sentences.

Reading to your child at home and sharing stories together.

Helping your child to notice numbers in the environment.

Encourage conversations about flowers, plants and observe nature in our environment.
