

What we are learning in Nursery Term 4 : Our theme this term is ‘My World Your World’

Reminders	Our PE day is Wednesday. Please send your child into school wearing PE kit every Wednesday. Please ensure all belongings are named. Children should only have water in their bottles.
Phonics	We will be focusing on what we can hear and listening to different sounds we can make with our mouths. We will be beginning to think about the individual sounds in words.
Maths	This term we will be focusing on Shape- we will be looking for and identifying different shapes in our environment.
Communication and Language	We will be doing lots of talking about ourselves and our families. We will also be looking at other people's families, and how these can be different.
Personal, Social and Emotional Development	Our Jigsaw piece is called ‘Dreams and Goals’ where we will be learning how to overcome challenges, show perseverance and achieve special goals.
Physical Development	This term we will be developing our ability to work in a team with our friends. Including team games and ball games.
Understanding the World	We will think about our own family, our friends' families and families from different countries/ cultures.
Expressive Arts and Design	The artist of the term is Alma Thomas, who painted abstract and repeated shapes in vibrant colours to show the beauty of what she observed in the environment.
<p>Ways in which you can support your child’s learning at home this term:</p> <p>Encouraging your child to speak in full sentences.</p> <p>Reading to your child at home and sharing stories together.</p> <p>Helping your child to notice different shapes in their home environment.</p> <p>Encourage conversations about their families and diverse families around them.</p>
